

Rule for individual Forms Competition

1. Competitors will perform form/patterns facing the Judges. Either one or two at a time. (This will be determined by number of competitors in that division)
2. Judges shall be seated in a row in front of competitors, Score Cards will be used.
3. Points shall be awarded on a scale of 7.0 to 10.0 in tenth of point (.1) increments, 7.0 being the lowest score awarded for a completed pattern. 8.0 shall be the score awarded by an Official for what that Official deem to be an average performance for that age and rank division in which the player competes.
4. Judges shall display the score of each competitor.
5. The total score will be added up. In the case of a tie of two, both competitors will perform forms/patterns again simultaneously. Judges shall display their vote of the two. Each judge may vote only for one of the two. The competitor with the most votes wins the tie breaking match.
6. Anyone under Black Belt may begin a pattern a second time with a two-tenths (.2) deduction from the total score (not each individual Judge's score).
